Terms of collaboration at the International Real Estate and Investment Fair - PROPRIO

1. General stipulations

The Application form is also a legally binding agreement and an irrevocable contract. The Application form is filled in by the Participant and must be submitted to the Organizer by the date specified as the application deadline. The Application form is to be sent to: GR Inženiring d.o.o. Dunajska 10, p.o. BOX 3558, SI-1000 Ljubljana, Slovenia. The Organizer will not consider the Application forms with reservations. The prices valid for the event are in euros and do not include VAT. The prices are listed on this application form. The Participant acknowledges and accepts the terms of participation by signing this Application form and agreement. The Organizer reserves the right to decide upon admitting the Participant, their products and services to the event. The minimum exhibition space that the Exhibitor can order covers 9 sq m. The Organizer reserves the right to reject applications received after the application deadline.

2. Granting the exhibition space

Slovene and foreign Participants whose exhibits meet the topic of the exhibition may exhibit at the event. Commercial representatives and importers may exhibit the objects of the companies they represent. It is in the interest of the Organizer that the exhibition would succeed and it is therefore them who decide upon admitting the Exhibitor to the exhibition and granting them the exhibition space. When assigning the place and time of the promotion the Exhibitors who rent larger packages have precedence. Each modification of the granted exhibition space should be approved by the Organizer. The Organizer may displace or close the entrance- and exit doors of the halls; if necessary, they may even perform other changes regarding the exhibition space. It is in the Organizer's competence to decide upon these modifications, always in the interest of the event. Should the Organizer for whatever reason not be able to place the granted exhibition space at the disposal of the Participant, the Participant is entitled to the reimbursement of the sum he has paid.

3. Confirmation of Application and contract

The participation in the event is confirmed when the Organizer receives a signed and stamped Application form and contract from the Participant.

4. Cancellation of Application and contract

The cancellation fees for the Exhibitors are:

- 40 % of the price of exhibition space in case of the cancellation of the Application form and contract in more than 20 days prior to the opening of the event;
- 100 % of the price of exhibition space in case of the cancellation of the Application form and contract in less than 20 days prior to the opening of the event.

5. Payment

The Participant undertakes to pay the participation at the event (the exhibition space, lecture rooms and other additional forms of promotion) and the registration fee for each represented company at the prices stipulated and stated in this Application form and contract. Taxes are to be paid at the event by the Participant. After the Application form and contract, signed by the Participant, is submitted to the Organizer, the Participant will receive a pro forma invoice at the event which he should on the whole and without any deduction settle in cash, within the term stated on the pro forma invoice. Payment of the proforma invoice within the deadline is a precondition for participation in the event. In case the Participant fails to pay the invoice in time, the Organizer can charge the Participant legal interest for the delay.

6. Cancellation of granted exhibition space

The Organizer has a right to reject the application or to annul the issued confirmation of the Application Form and Contract in the following cases:

- if during the time of application the Participant is in composition, bankruptcy or liquidation proceedings,
- if the Participant is in debts to the Organizer that arise from the previous exhibitions,
- if the objects and services which are to be exhibited at the event do not suit the topic of the event,
- if the Participant fails to supply the documents required by the Organizer (under point 12).

7. Time and place of the event

If the event has to be shifted, if its duration has to be shortened or extended, the Participants do not have a right neither to cancel their participation nor to claim indemnity. If the event cannot be performed for reasons beyond the control of the Organizer (force majeure, strike, etc.), the Organizer may require that the Participant pays up to 25% of the price of his package of collaboration. However, the Organizer is not entitled to such a right, if he himself is responsible for the failure of the event.

8. Technical conditions

The Participants have to submit to the Organizer an outline (projects) of the set-up and of the equipment of their exhibition space. These schemes (projects) should be confirmed by the Organizer prior to the beginning of the assembling. The height of the exhibition space should not exceed 250 cm. When assembling the exhibition space, the Exhibitor may not use the area beyond his allocated exhibition space.

9. Installation and dismantlement

Installation and dismantlement should be registered prior to their beginning. The installation and dismantlement terms stated in the Exhibitors' Manual should be strictly observed. If the dismantlement term is exceeded, the Organizer is entitled to dismantle the exhibition space at the expenses and risk of the Exhibitor. Once dismantlement is finished, the Exhibitor has to restore the exhibition space. If they do not, they are obliged to refund to the Organizer the damage occurred. When setting up the exhibition spaces and equipping them both during the installation and dismantlement, the Exhibitor or the company which sets up their exhibition space should act in accordance with the regulations on safety and health at work, the regulations on fire safety, the technical regulations and standards, general conditions of work on the exhibition grounds and the Organizer's instructions. The Exhibitor is not allowed to remove the exhibits from the exhibition space until the event is over. He may leave the exhibition space earlier only on the basis of a written approval of the Organizer.

10. Warranty and insurance

- a) The Organizer will not be held responsible for damage, loss, destruction or theft of the Exhibitor's property or the property of the company setting up the exhibition space (e.g. exhibits, equipment, etc.), their staff and third parties, nor for damage occurred to the Participant or the company setting up the exhibition space, their staff and third parties, caused by fire, storm, hail, strokes of lightning, breakage, water outflow, theft or for whatever other reason. The Organizer will not be held responsible for damage, loss, destruction or theft of the property of or injury to a third party, caused by the Participant or the company setting up the exhibition space at the space itself or on the exhibition grounds. The Participant and the company setting up the exhibition space obtain the corresponding insurances at their own expense.
- b) The Exhibitor or the company setting up the exhibition space will be held responsible for the damage or injury caused to the Organizer and/ or to a third party present at the exhibition space or the exhibition grounds, either by himself or by his staff.
- c) The Organizer does not assume any warranty for the vehicles left on the fairgrounds or parking place by the Participant, his employees or people authorized by him or by the company setting up the exhibition space.

- d) There is no warranty for the correctness of the inscription in the event catalogue (i.e. typographical and form errors, incorrect translation, no inscription etc.).
- e) The Exhibitor is not allowed to give away the granted exhibition space or advertising space or parts of them to any third person. In case of violation, the Organizer reserves the right to charge the Participant an additional 100 % of the price of the granted exhibition space or advertising space.

11. Presentations

At the submission of this Application Form and Contract, the Exhibitor must notify the Organizer in writing about every event intended to be held within the exhibition space (e.g. musical show, other shows, etc.). The Organizer is entitled to restrict or prohibit the presentations causing noise, dirt, dust, gas escape or in whatever way hindering the event, in spite of the fact that they have already issued a written consent for the presentations. The presentations may be performed exclusively on the granted exhibition space.

12. The Participant's occupation – documents

The Organizer has the right to require from the Participant the submission of the following documents:

- business permit or business registration certificate issued by a relevant authorized office, which proves that the Participant fulfils the conditions of conducting business as set by law,
- relevant sanitary and veterinary certificate issued by an authorized inspectorate, if the Participant plans to trade in foodstuffs and general consumer goods, to organize food tasting or demonstrations of general consumer goods or to perform catering services. The Organizer has the right to reject the Participant's application if they fail to supply the required documents.

13. Photographing and drawing

The Organizer has the right to take photographs, draw or videotape the exhibition pavilions and the exhibits and use the materials for their own purpose and general use. The Participant renounces all appeals arising from copyright. No other photographer will be allowed to take photographs, draw or video any pavilion or exhibition space in the hall without the permission of the Organizer except their own exhibition pavilion.

14. Cleaning of the exhibition space

The Organizer provides for the cleaning of the fairgrounds and passages in halls. Each Exhibitor has to clean their exhibition space. Upon order, the cleaning may be assumed by the Organizer or by an organization appointed by them at the Participant's expenses.

15. Jurisdiction

The Organizer and the Participant undertake to settle all eventual disputes in an amicable way. If a dispute cannot be settled in this way, the contractual parties agree to confer jurisdiction to the Court in Ljubljana.
